Relationships First
Waikato: Hamilton
9-11 November

Tēnā koutou katoa

We are excited that momentum for our Kāhui Ako is starting to develop again. The disruption of Term One brought along a slow beginning, with some challenges that schools have also faced. This term has a full professional and development plan (PLD) that started strongly in week 1.

Week 1 Connection and Network

We would like to thank everyone who came along and participated. It was exciting to connect with about 40 people from across roughly 20 different organizations. There were representatives from Health, Education, Iwi and Social Services with the sole aim to korero about ways to work innovatively and in collaboration. The kaupapa was about finding ways to offer educational and prevention initiatives to our schools. There was much interest from all attendees.

We look forward to this being a piece of ongoing mahi across our rohe. If you're keen on your school being involved, please complete the survey using the link [here](#).

Website

Our website is live and is a one stop shop for information. You can find the calendar with upcoming important dates for PLD, information on our Achievement Challenge, a link to our Facebook page to see what the team is up to and our 'Resource Room'. As the year progresses we will be slowly moving towards using this as the place for you to find all resources and information associated with our Kāhui Ako. If you do not have the password to the resource room please ask your schools WST or email the AST team.

Staffing Update

At the beginning of Term 3 we welcomed back Amy Boyd to an AST role. Amy is an experienced AST and we are excited about the contribution she will make.

The Patea/Waverley Kāhui Ako Lead Principal position is currently an ongoing process and we will update you in due course.

At the end of Term 3 we will be farewelling Anaru Haerewa from his position as an AST, as he takes on a role at Te Paepae o Aotea. This vacant position will be advertised in the Patea/Waverley Kāhui Ako.

We recently farewellled Angela Bosch from her Learning Support Coordinator (LSC) position and we wish her and her family all the best with their relocation to Auckland.

Ngā mihi

Kerri McColl
Lead Principal

Whakaraupō i a koutou e te iwi
