Tēnā koutou katoa

2022 has been a big year for our Kāhui Ako as we move towards a sustainability model in Relationships based Learning and began our work in the Well-being area of the Achievement Challenge. We have navigated through staffing changes and are really excited about our capacity within our team to support the South Taranaki Kāhui Ako with our strategic direction.

Hybrid Resources

We are also excited to share with you that in the 'Resource Room' on our website www.stka.co.nz you will find 3 hybrid resources to support you to run research sessions at the beginning of the year without the need for a facilitator.

Our website is also a one stop shop to find the calendar with upcoming important dates and the PLD planner with a link to register. If you do not have the password to the resource room please ask your schools WST or email the AST team.

Staffing Update

Pātea Kāhui Ako

We would like to announce that Shannon O'Brien has accepted the position of Lead Principal for the Pātea Kāhui Ako. We are really excited about the leadership and passion for Relationships based Learning Shannon will bring to the South Taranaki Kāhui Ako.

Hāwera Kāhui Ako

Congratulations to Justine Hart, who has successfully been reappointed as an AST for the Hāwera Kāhui Ako for a further two years. Justine's experience in Relationships based Learning puts us in a great position to start 2023 with an experienced Across School Lead Team.

Learning Support Coordinators

Congratulations to Jacqui Aldrige who has been appointed as an LSC. Jacqui is an experienced, local teacher and is passionate about all learners having equitable outcomes.

I would like to take this opportunity to thank Kay Bannister-Rye, Libby Whittington and Denise Hendren for their contribution as Learning Support Coordinators. Their knowledge and experience has benefited many stakeholders across our Kāhui Ako. We are privileged to have Daphne Bhana continue in this role in 2023 and we look forward to the three future appointments.
